The parties are not presently requesting relief from the timing requirements of Local Rule 116.3.

3. Additional Discovery

The government does not anticipate providing additional discovery other than additional certifications as they are received from the laboratory and expert disclosures as may be

requested as specified in paragraph 1, above. If additional discoverable reports relevant to this investigation are received, however, they will be produced.

4. Motion Date

The parties are jointly requesting that May 31, 2004 be set as the date for discovery motions to be filed and are requesting that the time between the April 1, 2004 and the date of the Final Status Conference be excluded from all Speedy Trial Act calculations.

4/1/04- Final Status	Excluded at the request of all parties in the interest of justice as set forth above.

As of the Final Status Conference, 0 days will have been counted and 70 days will remain under the Speedy Trial Act.

6. Anticipated Trial

The parties believe that it is too early to determine whether a trial in this matter will be required.

7. Final Status Conference

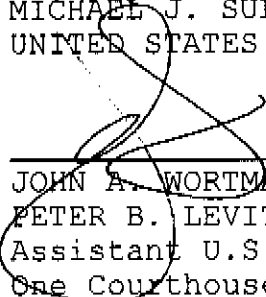

The parties request that a Final Status Conference be scheduled for June 7, 2004 or as soon thereafter as is convenient

for the court.

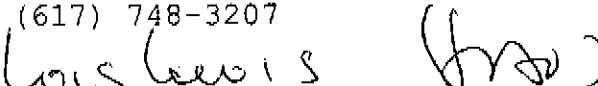

Respectfully submitted,
